USING A SLOW COOKER

A slow cooker is a self-contained cooking appliance which simmers food at an even, low temperature for a long period of time (4 - 15 hours).

ADVANTAGES OF SLOW COOKERS

The main advantage of a slow cooker is that of convenience. The cooking requires virtually no pot watching. Turning, stirring, or heat adjustment are unnecessary once the cooking process starts. This feature appeals to many persons who lead a busy life, especially those away from home all day.

Because slow cookers provide moist heat, they are well suited for cooking less tender, less expensive cuts of meat such as chuck roasts and short ribs, soups, stews, casseroles, and steam baked breads. One-pot main dish cooking eliminates extra clean-up since preparation, cooking and serving can be done in the same utensil. Another feature here of adding things to less expensive cuts of meat which are tougher would be you may use tomatoes which have acid in them to tenderize the meat as it cooks slowly.

Long slow cooking in an appliance specifically designed for this purpose is likely to be more effective than using conventional cooking methods with a range because the slow cooker has precise cooking temperatures and is constructed to guard against burning or scorching of foods. Further, slow cooking over the low flame of a gas range top burner for long periods of time is not advised due to the possibility of the flame extinguishing, leaving a dangerous gas leak. Another plus for slow cookers is that they will keep your kitchen cooler as compared to using the range.

As we become more and more conscious of conserving natural resources buying and using another electrical appliance may sound fool hardy and wasteful. However, slow cookers use less electricity per hour than a hundred watt light bulb. Cooking for eight hours with a slow cooker using 125 to 200 watts per hour would cost about 4 to 6 cents (based on a rate of 3.5 cents per kilowatt-hour of electricity).

Slow cookers generally use less electrical energy than cooking the same food in a conventional oven. They may use the same energy as cooking the same food on a surface unit of an electric range.

The slow cooker was introduced in 1971. Today there are over 20 models on the market. All models operate on the principle of maintaining the cooking temperature at around 200°F. But models differ in size, shape, construction, and finishes on the interior and exterior. The choice you make depends upon your needs and preferences.

On August 23, 1977, at 1:30 P.M. there will be a crock cookery training session in the Appomattox County Extension Office. The office is located on Morton Lane in the lower level of the new county office building. This session is open to anyone who would like to attend. At this meeting you will be given a booklet containig crock cookery recipes which have been tested as well as information as how to get the best mileage from your crock pot. We would welcome any of you who would like to attend this session. Should you like one of the crock pot booklets that will be available on the 23rd, please call or write the Appomattox County Extension Office, we will be happy to send you one.

RECIPE OF THE WEEK

All-Vegetable Indian Relish

Cooking Time: 45 minutes or until celery is tender

16 green tomatoes, about 4 pounds
16 ripe tomatoes, about 4 pounds
3 sweet green peppers, halved and seeded
3 sweet red peppers, halved and seeded
1 cucumber
7 cups chopped celery
3 cups chopped onion
2/3 cup salt
6 cups cider vinegar
6 cups brown sugar, firmly packed
1 tablespoon mustard seeds
1/2 teaspoon seasoned pepper
(A blend of peppers) (Optional)

Method:

1. Chop tomatoes, peppers, and cucumbers in a food chopper, using a fine blade. Combine with celery and onions in a very large bowl; sprinkle with salt. Allow to stand 12 hours or overnight.

2. The next day, drain vegetables and discard liquid. Combine vegetables with remaining ingredients in a heavy kettle.

3. Heat to boiling. Simmer slowly, stirring several times, until thick, about 30 minutes.

4.Spoon into hot sterilized jars, and seal.

Note: The family will want to spoon All-Vegetable Indian Relish over hamburgers or tuck it into the roll with frankfurters.

Class of '62 Holds Reunion

The Appomattox High School graduating class of 1962 held its 15th year reunion Saturday evening, August 6, at Appomattox County High School. Bobby Beale, class president, presided and dinner was catered by John Mosby Inn.

The evening was high-lighted by the showing of slides from days gone by and a table arrangement of school-day momentoes. Several teachers shared with the class in the evening's events and tour of the new ACHS was provided for out-of-town members.

Winifred Nash received a door prize while Clarence Mayberry and Nancy C. Roberts received recognition for coming the furtherest distance. Richard Hamilton had the youngest child and two unmentionables the least hair.

All in all the evening was a delight in reunion of old friends and experiences of some of the best memories we have. In 5 years we'll do it again.

Transco Finds Additional Reservoirs

Houston, Texas (Aug 4, 1977) Transco Exploration Company as operator, today announced discovery of three new gas reservoirs at East Cameron block 263 offshore Louisiana in the Gulf of Mexico.

Initial discovery on the block was announced in early 1976 and an 18-well platform was ordered. Drilling of the first four wells from "A" platform resulted in the new discoveries.

The A-11 well discovered two gas sands more than a mile to the south of the platform in a new fault block and will require several additional development wells. The A-7 well, now drilling, has confirmed the known field pays and found a new, deeper reservoir.

The development of this lease will continue into late 1978, when production is expected to begin. The 5,000-acre block was acquired in the July 1975 federal lease sale for $4.4 million. Owners are Transco Exploration Company, a wholly owned subsidiary of Transco Companies Inc., 75 percent; Mesa Petroleum Company, 10 percent; and McMoRan Exploration Co., 15 percent.

All of the gas to be produced from the block is dedicated to Transcontinental Gas Pipe Line, another subsidiary of Transco companies Inc.

COUPLES TOURNEY HELD AT FRCC

ACHS 1977 Football Season Starts Aug. 26

The Appomattox Raiders will open their 1977 Football season at Covington on August 26 under new Head Coach, Stuart Justice who will be assisted by Picky Williams, Ray Archer and Charles Wilkerson.

The team has been practicing since August 3rd, when more than 60 players reported. "We have had trouble getting all the players out due to vacation and summer jobs", said Justice, "however, it is rumored that I objected to several players playing American Legion baseball and this is not true. They have the option to continue their participation in the American Legion baseball program until the end of the season without any penalty."

With fifteen seniors back, Justice feels that the team as a whole is young and inexperienced, and the program will be built around a team concept rather than individual standouts. "I feel that a sophmore is just as important to the team as a senior," Justice commented. "They are all working hard. I have been very impressed with their attitude and desire and I have never had a harder working group. They are a very intelligent group of young men."

The first home game for the Raiders will be Sept. 9 when they play host to William Campbell in a Seminole District contest.

On August 6th and 7th, Falling River Country Club was the setting for a married couples tennis tournament. This was a first for the club, with nine eager couples participating.

The double elimination play began at 7:00 Saturday morning, with four couples starting the action. The matches were scheduled throughout the day, with the last match beginning at 6:30 p.m. Action resumed on Sunday morning at 10:00, with the final match of the tournament beginning at 6:00 in the evening.

Congratulations to Sam and Ruby Ferguson for winning first place. Second place went to Fred and Violet Roberts, and third place went to Sonny and Peggy Fariss.

Everyone enjoyed the play in spite of the sweltering heat. We hope to see this become an annual event at F.R.C.C.

We would like to thank all those who helped to make this a successful tournament. Also, we wish Jackie Smith a speedy recovery from the injury she sustained during the quarter final match.

Ferguson Third In Track Meet

Richard Ferguson captured third place in the Richmond Track and Field Summer Invitational three mile run with a time of 15:12.

Richard is a member of the track team at James Madison University and was one of thirty-five runners participating in the cross country event, won by Hillary Tuwie from Kenya, a student at the University of Richmond.

Richard's speciality is distance running and he competes mostly in mile and three mile events.

DATE SET FOR JUNIOR TENNIS TOURNAMENT

The Falling River Country Club Junior Tennis Tournament will be held on Wednesday and Thursday, August 24 and 25.

Eggleston Hits Grand Slam

With the bases loaded, Mitch Eggleston connected with a fast ball and drove it over the left field fence in Lynchburg's City Stadium breaking a 3 - 3 tie and giving Appomattox American Legion Post 104 a 7 to 3 victory over Lynchburg's Post 16 Blue Team and assuring the Appomattox team at least a tie for the American Legion title.

Both teams banged out 10 hits, but Appomattox was able to bunch their's together.

Ronald Harvey and Gary Wagner hit leadoff triples in the fifth and sixth innings respectively and tallied the first two wins while Eggleston cracked his "gamebreaker" following a walk, two infield singles and two fielders' choices. Tim Hoag picked up his fourth win in five decisions. Jimmy Stinnett and Donald Minnick handled the mound chores for Lynchburg.

Golf Tourney Registration Continues

More than fifty F.R.C.C. members have now registered for the tenth annual labor Day Golf Tournament scheduled for Sept. 3, 4, and 5.

Committee Chairman, Floyd Fleshman, Jr. announces that participants will be flighted after 36 holes and the champion and flight winners will be determined on the basis of their 54 hole total score. First place ties in each flight will be played off, however other ties will be decided by matching cards beginning with the eighteenth hole and going backward.

A fee of $6.00 will be billed to each member participating to defray the cost of trophys and prizes. As in the past prizes will be awarded for the longest drive and closest to the pin each day.

The committee learned that many members are guilty of rule infractions such as rolling the ball in the rough and opposite fairways and repairing spike marks on greens. Participants should expect to be penalized by other members of their foresome for such infraction. U. S. G. A. rules apply for all tournaments as modified and posted by the committee.

The tournament register will close August 31.

In addition to the golf tournament, a social will be held around the pool on Saturday night and will open to all F. R. C. C. members at $8.00 per couple. A band will be provided and set-ups furnished.

SOFTBALL TOURNEY SCHEDULED FOR AUG. 26-28

The Coca Cola Seven-Game Round Robin Softball tournament for Class B and under teams will be held August 26, 27, and 28th. Three Lynchburg area fields will be used.

The first 24 teams signing up will be accepted. The fee will be $60 and balls will be furnished.

Trophies will be awarded 1st and 2nd place in each bracket plus 1st, 2nd, and 3rd in finals and individual trophies will be awarded the winning team.

For more information, call Chris Isley, 845-7457.

F.R.C.C. Sets Tourney For Junior Golfers

The Falling River Country Club Junior Golf tournament will be held August 22nd at the club course. This tournament is to be played by age groups 17 years of age and under.

The registration sign-up sheet is now posted at the Club. Players will be divided into groups with those 11 and under playing together, 12 and 13 year olds, 14 and 15 year olds, and 16 and 17 year olds will play together.

All club members 17 and under are urged to sign up for this event.

Trophies will be awarded.

FITZHUGH WINS FOX-PUSS

The seventh annual Boonsboro Country Club Invitational Golf Tournament, nicknamed the "Fox-Puss Tourney", was won by Gil Fitzhugh from McLean, Va. who had consistant rounds of 70 - 70 - 72 for a record breaking 54 hole total of 212.

Pre tournament favorites Jay Sigel and Vinny Giles could do no better than second and fourth respectively, with Sigel shooting 215 and Giles 220.

Appomattox lone entry Jerry Conner carded 225 and finished in a three way tie for fifth with Mike Moyars of New Market and John Price who plays with Fitzhugh at the Washington Golf and Country Club in Arlington.
